MII: Documents

A screenshot of a Windows desktop. In the center, there is a folder icon labeled 'My Documents'. A context menu is open over this icon, with 'File' as the first item. The menu items are: File, Edit, View, Favorites, Tools, Help, and a separator line. Below the menu, there are several icons: a house icon for 'My Computer', a folder icon for 'My Documents', a search icon for 'Search', a folder icon for 'Folders', a 'Back' arrow icon, and a 'Help' icon.
